

Welcome to ManeuversCon II August 17-19 2018

The 2 Jeff's, Cal, and Tim are your staff for this show. We are proud to present the 1st Annual ManeuversCon Gaming Convention in Tulsa, Oklahoma!

“Battles of Maneuver” is the theme for this year. Looking at the picture...we glimpse the Master of Tactical and Strategic maneuver trying to catch and destroy the Russian Army at Borodino. Hmmmm, but who caught who at this little Russian Village? What if Napoleon had pinned Bagration by his Redoubts, then moved around the dug in Ivan's to strike for Moscow. Maybe the desperate Winter supplies would have been captured by the French leaving the Russians to freeze in the approaching Winter snows. To think, we now accomplish in inches what took Bonaparte miles of movement to do. What a grand pastime we have created.

Oh, to heck with that lofty stuff! I just like to see all my buds, have a beer, and see if my dice are hotter this time. LOL

Thanks to Tim Harwood, Cal Kinzer, and Jeff Hunt for direct help with this effort. Thanks to my GameMasters whose games make it possible and fun. And big thanks to our Merchants who supply the toys.

Have fun, and remember the referee is ALWAYS right.

Jeff Lawrence

To all attendees: Have a great time at our convention and we hope to see you again next year.

To ensure everyone has a good and safe time while at the convention, some rules need to be laid out and followed.

No Solicitation: There will be no unauthorized flea markets, nor will there be any selling in the public areas of the hotel. All selling of products or services is restricted to the dealer's AREA. Selling of retail goods must be done as a vendor by purchasing a table in our vendor area. Individuals wishing to sell their non-retail items may do so reserving a flea market table for Saturday evening.

As the Wyndham Tulsa is a commercial property, we have agreed to not compete with their restaurants and bar. The low entry fee and no charge for Game referees is a reflection of the hall discount we receive because of this policy. Please refrain from ordering Pizza

delivered, or bringing in large quantities of food to consume on premises. We are providing water set-ups; however, you can still carry in your Big-Gulp with no problem. See Registration for local dining/drinking options, and there are MANY to choose from.

GameMasters have the final say in their games or tournaments. The convention organizers will not involve themselves in rule disputes. However, game referees are required to treat all participants with respect, courtesy, and fairness.

Participants are expected to be courteous and respectful to other gamers, game masters and the convention staff. If you object to something that occurs within a game you are playing in, please state your case succinctly and let the game referee issue a ruling. Then live by it. And remember that younger gamers (and their parents) will be present, so please have a care what you say and do around them.

Convention Badges must be worn by all convention participants on the convention floor at ALL TIMES. No exceptions. TwisterCon staff, GameMasters, and Game Participants are included.

No Smoking is allowed in the convention area, lobby, or hallways of the hotel.

No uniforms allowed during TwisterCon, except for active-duty military personnel and on-duty law enforcement officers. Hats and costumes ARE allowed. However, Convention Staff reserves the right to request the removal of any apparel deemed offensive.

No weapons allowed except for law-enforcement and security personnel.

Prizes and Awards will be distributed by (some) GameMasters in a fair and impartial manner. In tournaments, the criteria for distributing prizes and awards will be explained before the event begins. In demonstration games, the GameMasters may award prizes

randomly, or based by some objective criteria (such as the best display of tactics, worst die rolls, etc.) GameMasters should NOT keep any prizes or awards for themselves. However, the convention staff may distribute special prizes or awards to game hosts based on subjective criteria.
